Important June Dates

(All times are CDT)

June 9, 8:10 am – Full Moon

This Full Moon is at 18 degrees of Sagittarius. This may be one of the easier Full Moons of the year. If life has been hard for you lately, this Full Moon should offer you some insight. When the Full Moon is in Sagittarius, life is exciting and fun. Sagittarius is spontaneous and adventurous. At this time, we like exploring our world, learning about things we do not know and how they impact our lives.

We should all be learning through life experiences because we gain wisdom which only comes through experiencing things. As we move closer and closer to the eclipses in August, each New and Full Moon gives us the opportunity to understand ourselves more and at a deeper level.

When it comes to learning Sagittarius is in charge of the big picture. What do you believe? What are your Spiritual practices? Have you been thinking about higher education lately? What about writing or journaling? Have you been working on publishing something? It doesn't have to be a book, it can be any kind of knowledge based information you want to share with the world.

Sagittarius is also in charge of foreign places and people. During this Full Moon, we will certainly see the results of governments' interactions with each other. Things that are hidden tend to come to light during Full Moons.

Ask yourself this question. What do you have hidden? What have you said or done recently that may come back at you? Gemini can agree to everything and say what is needed to fill in empty space, but is it true? Be mindful of the promises you make. You may not be able to keep them all.

June 18 – Father's Day

Only a Dad

Only a dad with a tired face,
Coming home from the daily race,
Bringing little of gold or fame
To show how well he has played the game;

But glad in his heart that his own rejoice
To see him come and to hear his voice.

Only a dad with a brood of four,
One of ten million men or more
Plodding along in the daily strife,
Bearing the whips and the scorns of life,
With never a whimper of pain or hate,
For the sake of those who at home await.

Only a dad, neither rich nor proud,
Merely one of the surging crowd,
Toiling, striving from day to day,
Facing whatever may come his way,
Silent whenever the harsh condemn,
And bearing it all for the love of them.

Only a dad but he gives his all,
To smooth the way for his children small,
Doing with courage stern and grim
The deeds that his father did for him.
This is the line that for him I pen:
Only a dad, but the best of men.

This New Moon is in Gemini, so Gemini themes will be highlighted. Of course, all New Moons are associated with beginnings, which makes them perfect times to start new projects. Gemini focuses on intellectual pursuits, communication and versatility. Try to incorporate these themes into the projects you begin and any rituals associated to these projects.

Spell of the Month

Strength Ceremony

We all have times in our lives when things are hard and we don't have much faith in ourselves. I recommend doing this ritual whenever the feelings of doubt or fear start clouding your thoughts. This is a group ritual, but it is possible to modify it for a solitary practitioner.

Cast the circle and then go around the circle so everyone can say how they became strong.

"I became strong through facing my fears.
I became strong through my friends.
I became strong through my family.
I became strong through making mistakes.
I became strong through taking a stand.
I became strong through dreaming."

Chant and raise power. The above can be modified to be more personal.
