Spell of the Month

Self Protection Ritual

Your Staff/wand
Silver or blue shiny glitter

This spell should be performed in a quiet place, preferably outside. You will need your staff (or wand) for this spell. It is best if the staff used is blue, white or silver. The easiest way to achieve this is to bind a ribbon, or ribbons, around it for the spell. This means you can remove them afterward.

It is best to go outside for this spell, as the air movement will help disperse the glitter, and the magick. Cast a circle, or create a sacred space. Go to each quarter in turn (start with the West, then North, East and South), and pound or tap the ground with your staff/wand chanting:

I call thee, you who guard the watchtowers of the (direction) to guide me through the darkness, and ensure my safety.

Do this for all 4 quarters. Then, stand in the center and say,

In the shadows, evils hide,
Ready to draw me from love's side,
But with your help I shall be strong
And banish all that do me wrong
Send them away, send them astray
Never again to pass my way,
So mote it be

As you say the last 3 lines, scatter the glitter in a circle around you. Close the circle, and have something to eat to restore your energies!
