## **November 11 – Veteran's Day**

Take A Moment To Thank A Veteran

When you see someone in a uniform,  
Someone who serves us all,  
Doing military duty,  
Answering their country's call,

Take a moment to thank them  
For protecting what you hold dear;  
Tell them you are proud of them;  
Make it very clear.

Just tap them on the shoulder,  
Give a smile, and say,  
"Thanks for what you're doing  
To keep us safe in the USA!"

## **November 14, 7:52 am – Full Moon**

### The Elk Moon

November is called the Elk Moon. At this time of year, herd animals become more visible as forests lose their leaves and the rutting season occurs. Elk is a great teacher and leader. People who follow this path likewise have exceptional wisdom and determination. Furthermore, the darkening hours and cooling weather bring people indoors to enjoy such community activities as storytelling or learning new crafts. Children study diligently in the schools.

For this spell, you need an image of a hoofprint. Elk's cloven hoof represents the two halves of education—teaching and learning. Hold the hoofprint in your hand and say, "*Elk of the mountains, open my eyes. Teacher and student, let me be wise.*" Draw the Elk energy into your symbol and seal it there.

Choose a familiar skill to teach someone else, or a new skill that you want to learn. Keep your hoofprint image with you to improve your insight as you work. At the end of each lesson, think about what you have taught and learned, because they always come together, like the two toes of an elk. Thank the spirit of Elk for helping you through the process of education.

## **Spell of the Month**

### Gaia Healing Ritual

Perform this spell during an eclipse or a waxing moon phase. Arrange sea shells on a secluded beach, in the shape of a circle. If you do not have access to a beach, perform this ritual in a garden or forest using stones, branches or flowers to form the circle.

Kneel at the center facing the ocean. Light a blue candle and an incense of your choice. Raise arms high and recite:

"With smoke and flame this spell's begun.

O Goddess of the stars, moon, and the sun,

Let the healing power begin.

Let the Earth be whole again."

"The Earth is my mother and I am her child.

The earth is my lover, free and wild.

Heal on the outside, heal within.

Land and sea, fire and wind."

"With love sincere,

I chant this prayer to make mankind

Begin to care.

Let every sister and every brother

Heal the wounds of the Great Earth Mother."

"Let the healing power begin,

Let the Earth be whole again.

Heal on the outside, heal within.

Land and sea, fire and wind.

So mote it be!"
