

A Faery Blessing

To the Faery Folk
High and low
Blessed Be and Blessed go.
In perfect love
In perfect trust
You may depart if you must
But pray, stay if you will
All aglow and Peace be still.

Faery Wish Magick

Items you will need:
a pinch of glitter as an offering

Put down your offering. Say aloud:
"Faeries of the air, I call you now, accept this offering, with love from me to you!"

Close your eyes. Spend a moment open and receptive to your energies and those around you. When you feel you are no longer alone, take out your glitter and hold it in your hand. Focus on your wish. When your wish has been visualized and projected, toss the glitter into the air. Cry out:

*"Faeries of the air, carry away my wish,
across the never-ending skies,
up into the ethers, forever and more!!"*
